

Accredited Life & Workskills Course

There are no formal entry requirements.

Builds allround skills to promote independence and progression to employment or higher level learning

Designed for young people and adults who are not yet ready for employment

The Entry Level 3 Award, Certificate or Diploma in WorkSkills offers learners a flexible, relevant course to improve their understanding and application of work-based skills. These qualifications ensure that the knowledge, skills and understanding they provide are relevant, current and useful for both learners and potential employers.

Modules include learning how to look for and apply for a job and the appropriate behaviour in the workplace. They also involve time management and health and safety in the workplace elements. Students may have the opportunity to take part in business enterprise projects.
