

ENROLMENT PROCEDURE

Should you wish to consider Unity College as an option for your child, the following process needs to be followed:

1. Contact the school secretary to set up an appointment to see the school head.
2. Parents and the child are invited to attend an initial interview. The following documentation should be brought to the initial interview:
 - Latest school report
 - Latest Speech Therapist report and assessment
 - Latest Occupational Therapist report and assessment
 - Latest Psycho-educational report

These assessments help staff identify the level at which your child is working. Learners may then be invited for a two week trial period at the school to ascertain whether Unity College is the most suitable placement.

The school has a waiting list, which governs placement into classes. Applicants are organised from the date of registration.

3. If suitable, a trial period of two weeks is set up at a non-refundable cost of R1 100.
4. Feedback from the full team occurs and a decision is reached regarding your child.
5. Feedback to the parent occurs.
6. If your child is a suitable candidate, placement will be offered or a position on the waiting list. If your child is not suitable, alternative recommendations will be made.
