

CERTIFICATE OF APPRECIATION
UNITY COLLEGE AUGUST 2020

We are blessed and very grateful for the generous donation

for the children at
The Lighthouse Baby Shelter
THIS WAS A MUCH NEEDED DONATION

This will go a long way to making a difference in the lives of our children this year.
100% of the beneficiaries are black children.

They are South African children that are all abandoned or orphaned.
The funds will be utilised in the running costs of the centre.

Thank you so much for your loyal support this means a lot to me .
Your prayers have helped keep me strong and focused on God's plan for the children.

It is people like all of you that help raise these less fortunate children and for this we
are eternally thankful.

From all the little residents at The Lighthouse Baby Shelter

MAY YOU ALL BE BLESSED AND ENJOY EVERY SUCCESS IN THE FUTURE
